A VISION OF HAWAII—An Hawaiian Love Song

This song is written in Waltz time, and has that Hawaiian swing so desired by most of us. It is so pleasing—so sweet—so satisfying, and the words are blended with the music in such a manner, that you will sit at the piano many times during an evening and play it—and play it again. The way the music is arranged makes you think you hear a Ukelele and a Steel Guitar playing at one time.
